Note: This version represents the 2012 release of Part 5. Since the processes have changed (mostly structural, not from their content), assessment files from SPiCE 1-2-1 IS (2006) tool version 2.0.0 to 2.2.4 can not be opened with SPiCE 1-2-1: 2012 tool version 2.2.5 and vice versa. Upon request we still have another edition of the tool, which represents the 2006 release of Part 5.
